*Stated square footages and dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior dividing walls between units and vary from the square footages and dimensions that would be determined using the description and definition of the "Unit" as found in the Declaration, which generally only includes the interior extension between the perimeter walls and excludes all interior extension between the perimeter walls and includes all interior structural components and other common elements. The method of measurement data herein is primarily based on sales materials and is provided to allow a prospective buyer to compare the Units with units in other condominium projects that utilize the same method. However, variations are not part of the Unit. Measurements of rooms and built-in floor plan are generally taken at the farthest points of each room and are not necessarily accurate reflections of the true floor plan and specifications, and are subject to change without notice and may not be relied upon. No guarantees or representations whatsoever are made regarding existing or future views from the Units are other portions of the Condominium. Options and upgrades reflected or described herein are not included with the unit unless expressly provided in your purchase agreement.
This offering is made only by the prospectus for the condominium and no statement should be relied upon if not made in the prospectus. This is not intended to be an offer to sell nor a solicitation of offers to buy real estate by residents of NY or in any jurisdiction where prohibited by law.
